## We Support Psychologists

### ***Anxious that you may not be tax-compliant?***

We'll ensure you're meeting all your tax obligations, from deductions to reporting.

### ***Worried about how to prepare for your tax bill?***

We'll work with you to plan ahead and set aside the right amount.

### ***Just finished your provisional and starting out as a psychologist?***

We'll explain the business side of being an employee, contractor or starting your own practice and help set you up for success.

### ***Employed as a psychologist?***

We can help you to grow personal wealth and become financially well organised.

### ***Starting out as a contractor?***

We'll assist with contracts and tax, business structures, BAS, GST registration and more.

### ***Thinking of setting up your own practice?***

We can advise on business structure, registrations, tax obligations and more.

### ***Employing staff in your business?***

We'll help with budgeting, payroll for staff, registrations and obligations related to employment like STP and PAYG tax.

### ***Trying to grow your practice?***

We provide expert advice on cash flow, tax strategies, financial forecasting and compliance.

### ***Planning for retirement?***

We'll help you have a smooth transition to retirement.

Wherever you are in your career, we take the stress out of finances so you can focus on what matters most - being a psychologist and helping your clients.

## Book your **FREE** 90 minute one-on-one initial meeting to
